Season 2020

Compiled by J.R. Woodworth September 2020

Section 1: Overall Season Summary

YMCA CC was renamed as Golden Hill CC during the winter break. Winter training sessions were a great success with everyone looking forward to the new era. However, the 2020 cricket season was dominated by the global Covid-19 pandemic which prevented the league season from taking place in the traditional manner. By the time permission had been granted to play cricket, it was early July and, as such, teams were placed into 'Pods' in order for competitive games to take place with no promotion or relegation, or even cricket teas, much to the members' dismay.

Following their promotion to WEPL cricket in 2019, the First XI played in a Pod with 7 fixtures, whereas the Bristol & District sides were placed in Pods with 5 league fixtures. Pods were put together based upon a similar playing standard and geographical proximity. For the first time in our history, a Sixth XI played league cricket. Although not recorded in the career and league statistics, GHCC also put out a Seventh XI side on two occasions marking an incredible show of enthusiasm for the game at Golden Hill Cricket Club. Not surprisingly therefore, 26 players made their league debuts for the club and they are as follows:
